

Rack Card - 4" x 9"

bleed area (4 1/4" x 9 1/4")

If you want your design to extend to the edge of your final piece, ensure art fills to this line. Note area between red line and black line will not be visible on final product as it will be trimmed off.

die line (4" x 9")

Actual cut line. Crop marks will show here on pdf.

safe area (suggested 1/8" in from cutline)

Do not place text or important content beyond the dotted line to prevent trimming off copy when final product is cut.

*** PLEASE INCLUDE CROP MARKS AND BLEED ON YOUR FINAL PDF PROOF**
